## SPECIFICATION

### Line Voltage LED Linear System.

E-GRAZE is the perfect specifier choice for indirect general lighting and cove illumination. With its modular concept the designer is able to create curves or linear layouts. Wall wash any indoor application with its integral linear optic of 30° x 100° for a perfect asymmetric beam pattern with zero striations, single binning, and interlocking fields of light combined with Low energy consumption and a High lumen output is just the start of E-GRAZE's array of features. Choose from Red, Green, Blue or Amber.
