#### Miniature Line Voltage Cove Fixture.

Our multi award winning MODA MINI COVE® series is now available in DMX 512 controllable color changing fixtures. Utilizing the same small fixture 1 5/16" (33mm) tall fixture that the other MINI COVE family members utilize with all of their wealth of great features, these intelligent digital cove fixtures can produce striking color washes of bright colors in any cove, alcove or accent applications. Advanced MODA firmware allows our fixtures to accept a standard DMX signal from most controllers and to display smooth color changes across the lighting spectrum. DMX is limited just to 256 steps of brightness, these are the same steps that are used to mix colors. Our Microprocessors convert this information using our patent pending technology to soft fluid color transitions and smooth soft dimming. Our fixtures utilize the most advance Tricolor LEDs in the world to produce excellent uniform colors. Installation is easy and fast, no costly control boxes, bridges, adapters or converters are required. Boosters or amplifiers which makes installation more complicated are also not required. Simplicity is key to an easy and fast installation.

The fixture incorporates an integral, patented, toolless self-locking bracket which slides into any position and turns 170 degrees. Built-in male & female connectors with thumb latch connections for fast installation time. Lightweight aluminum construction for durability and excellent thermal characteristics. Quality American Made electronic components. Integral end to end thumb latch connectors with simple leader and jumper cables complete an installation quickly. A specialized curved polymer optical lens combined with a cleverly designed Light Chamber delivers a light bending, smooth 200 degree beam pattern perfect for cove installations with no color over angle, no striations, inter locking fields of light and no dark spots.

Choose from RGB, RGBA or RGBW fixtures. RGBW fixtures are available in High CRI 2700K, 3000K, 3500K or 4000K. These fixtures benefit with high R1-R15 values and excellent TM30 results for excellent white light cove illumination. Mix the white die with RGB to create soft pastel colors. 2700K is an excellent example of incandescent looking illumination. Colors are crisp and sharp. Ideal for all applications which require a high quality incandescent look. 3000K has often been described as one of the best looking 3000K in the industry. 3500K is the color which has now become our standard go to temperature, not being too neutral with a hint of warmth. 4000K is perfect for offices and retail. Accessories include full series of Controllers, MODA dual power and data cables, DMX cables, MODA DMX Wiring Hubs and an easy to install mounting track. Choose from 1ft or 4ft sections.

Tested by Intertek to UL1598 for use in USA & Canada. CE Approved. WEE. RoHS Compliant. TM-30-15 Tested. US Patent No. D787,112 and D783,890.

Product Innovation Award (PIA) Winner 2016 for Best Luminaire. LFI Innovation Award 2017 Finalist for Dynamic Color, Theatrical, Cove, Strips and Tape. Lux Award Commended for Interior Product of the Year 2016. Darc Awards Finalist for Best Architectural Lighting Product - Interior Luminaires 2016. International Design Excellence Award for Innovative Product Design Finalist 2016.

Designed & Developed by MODA LIGHT in Las Vegas, USA.

# MODA MINI COVE MOUNTING TRACK

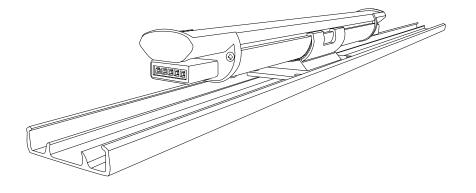

### Mounting Mini Cove.

Allows users to install Moda Mini Cove fixtures in a continuous linear position. Moda Mini Cove Mounting Tracks come packaged in 5 pieces of 4ft sections to create a continuous run of 20ft.

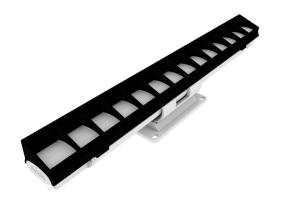

### Options

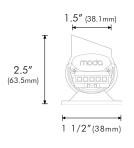

Finish	G - Gray	
Length	4ft - 4' Sections	
Quantity	5 Pieces (20ft)	

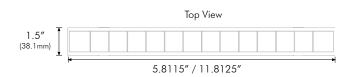

Applications	Cove, Accent
Construction	Polycarbonate

### MODA MINI COVE LOUVRES ASYMMETRIC

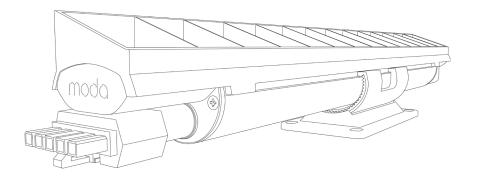

### Asymmetric Mini Cove.

Provides light control and cutoff of glare for cove and wall grazing applications without causing significant light loss. For four foot fixtures use four of these louvres.

### Options

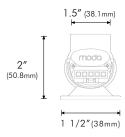

Finish	B - BLACK
Length	1ft

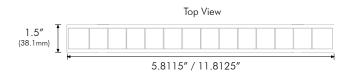

Applications	Cove, Accent, Graze
Construction	ABS

### MODA MINI COVE LOUVRES SYMMETRIC

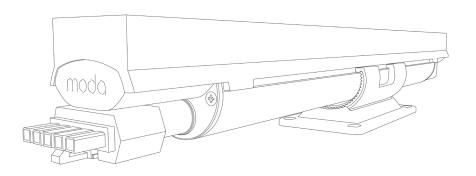

### Symmetric Mini Cove.

Provides light control and cutoff of glare for cove and wall grazing applications without causing significant light loss. For four foot fixtures use four of these louvres.

### **Options**

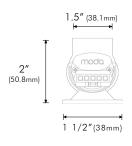

Finish	B - BLACK
Length	1 ft

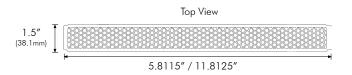

Applications	Cove, Accent, Graze
Construction	ABS

### MODA MINI COVE LOUVRES HONEYCOMB

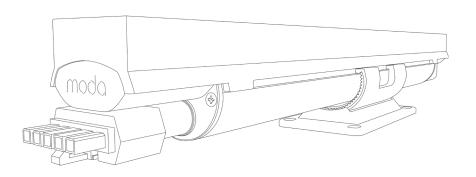

### Honeycomb Mini Cove.

Provides light control and cutoff of glare for cove and wall grazing semi direct view applications. For four foot fixtures use four of these louvres.

### **Options**

Finish	B - BLACK
Length	1 ft

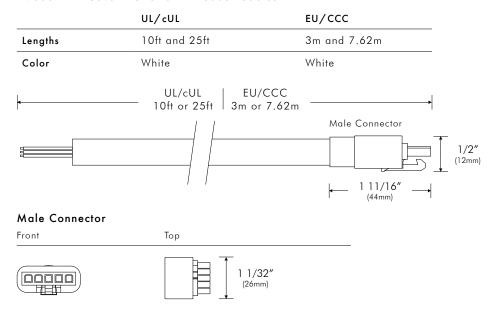

Applications	Cove, Accent, Graze
Construction	ABS
